

**Woy Woy Little Theatre is celebrating  
in 2012**

**50 Years of Community Theatre on the  
Peninsula**

**In the foyer, during each of the plays  
in 2012, will be displays from past  
productions.**

**Make sure you take a look and see  
how things have changed over the  
years...**

Woy Woy Little Theatre has just completed our  
49th year & our 9th in this theatre.

Our last play "The Mousetrap" was a sell-out,  
blockbuster. So this is a timely reminder to  
subscribe early to get priority seating.

For our 50th year, we're doing a year of  
comedy. We trust you will exit our beautiful  
theatre with a smile on your face.

The plays in 2012 bring you a wide range  
of settings and characters, including spies,  
eccentric relatives and the occasional  
murderer! Each play will ensure an enjoyable  
night of live theatre.

Thank you for all your support over the years  
& hoping you will introduce new friends to the  
delights of live theatre.

Barbara Hickey

President
